

General Rules

- (1) The Director of Buda Campus asks everyone entering the Buda Campus to act responsibly and cooperatively, complying all the rules and regulation about the COVID pandemics.
- (2) All the establishments, classes and events on Buda Campus can be visited by only healthy persons without any symptoms of coronavirus.
- (3) Keeping personal hygiene on Buda Campus is not only necessary but obligatory for everyone. It includes: frequent hand washing or using hand sanitizers, practising proper coughing etiquette, avoiding unnecessary touches on the face, keeping all the rules for mask wearing.
- (4) In order to prevent the escalation of COVID-19 infection, it is extremely important to keep safe physical distance on Buda Campus. You have to adhere to the 1.5-metre social distancing while waiting in public places (library, buffets, students' office etc.).
- (5) Mask wearing is mandatory for everyone who enters the Buda Campus. The student who arrives for administrative purposes has to enter by him- or herself, all the other attendants have to wait outside the buildings.
- (6) Mask wearing is mandatory in all the public places (buffets, corridors, restrooms etc.) of the establishments on Buda Campus even with the proper social distancing.

Conditions and tasks on entering the Buda Campus

- (1) All the establishments, classes and events on Buda Campus can be visited by only healthy persons without any symptoms of coronavirus.
- (2) When you would like to enter Buda Campus, you have to visit the porter's cubicle in Building A or K first where you have to participate in a mandatory body temperature measurement. If your temperature exceeds 37.5 °C you have to leave the Buda Campus immediately according to the current regulations of the rector and the chancellor (4/2020 (VIII.31.)).
- (3) Any person on Buda Campus who shows the symptoms of coronavirus, has to leave the Campus immediately. If the health state of this person doesn't allow departure, ambulance has to be called.

(4) Any person on Buda Campus who shows the symptoms of coronavirus has to notify the appointed doctor of the Buda Campus listed in the 3rd Appendix of the rector's and chancellor's regulation 4/2020 (VIII.31.). The doctor will provide all the necessary information about the mandatory tasks.

(5) If the coronavirus infection is certified, the infected person has to notify the appointed responsive person at Buda Campus, namely:

Dr. Orsolya Fehér, associate professor: telephone: +36-20-320-8418; email: feher.orsolya@szie.hu.

All the problems and questions related to the coronavirus regulations at the Buda Campus can be addressed to Dr. Orsolya Fehér also.
